

SDG Core Tumbler

Rooted in good intentions, we transform our original aspiration into strength.
Guided by action, we embark on a shared journey toward sustainability.
The belief in SDG-driven prosperity continues to ripple through all we do.
Carrying the power of our founding vision, we look forward to walking hand in hand with you to create a renewed and sustainable future.

SDG GROUP X CILIN

Hold the warmth that carries
original intention

Original intention is the strength MEAN WELL stands by. Crafted by Cilin, the Original Intention Mug features the imagery of a big hand passing the Earth to a small hand, surrounded by nine Sustainable Development Goals—symbolizing our commitment to building a better future for the next generation.
