

## Matter Smart Home Application Demo Kit Pre-Order Announcement

MEAN WELL's Matter Smart Home Application Demo Kit mainly consists of XLC-MA series LED drivers, NGE100U charger, and smart HUB. It mainly demonstrates the wireless dimming control of XLC-MA drivers and the interconnection function of different ecosystems. The kit is approximately 38\*26\*16.5 cm, lightweight, and convenient to carry. It can be used for seminars and promoting the XLC-MA series at exhibitions and other occasions.

### Main Features:

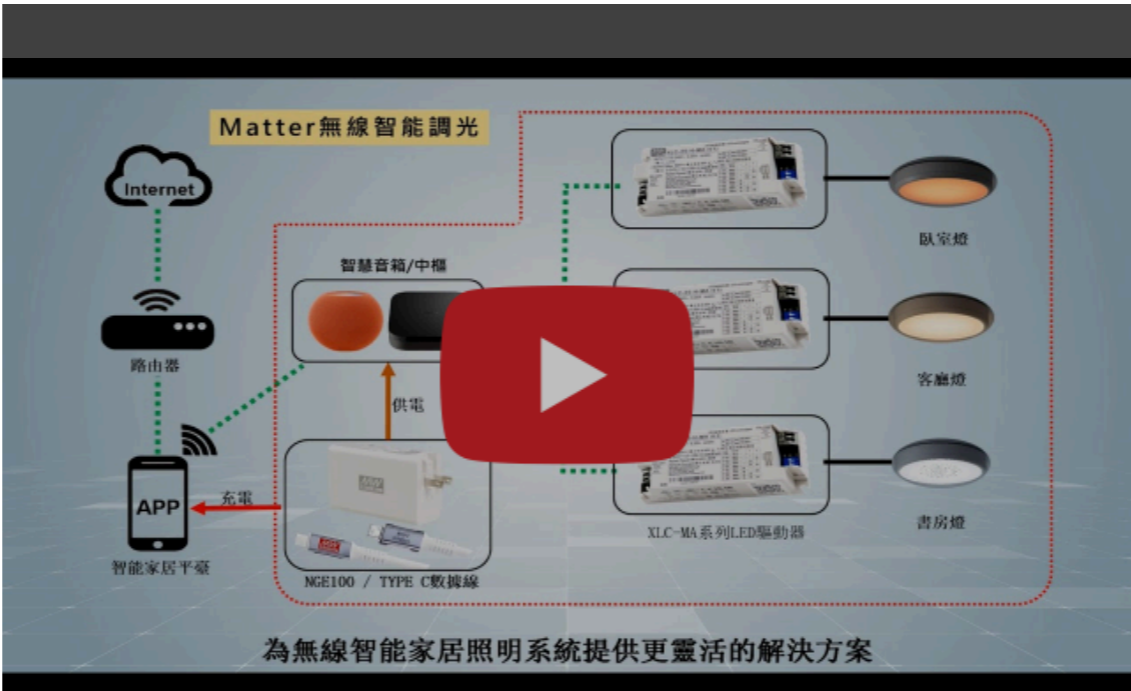

- Supports smart home platforms: the **Apple Home** and **Aqara Home** apps, allowing users to control LED lamps using both Apple and Android devices simultaneously.
- Enables simultaneous control of LED lamps from both Apple and Android devices.
- Powers the smart HUB and charges external smart devices using the NGE100U.

MEAN WELL reserves the rights for demo kit allocation. Please refer to the following information for ordering. Shipments are expected to begin in **July 2025**.
